## TARA RED WINE 1 / BASE WINE: PINOT NOIR

D.O. ATACAMA · VINTAGE 2017

### ORIGIN

Variety Pinot Noir 100%.  
D.O. Atacama.  
Soil Calcareous, with alluvial stones, located in the 1st, 2nd and 3rd terraces of the River Huasco in the areas of Longomilla and Nicolasa. Both the soil profile and the waters of the River Huasco lend the wine a significant level of salinity.

Harvest The harvest was on the 17th February.

Vintage In the north of Chile, "vintage variation" is virtually non-existent. Year after year, the harvest dates are more or less the same and 2016 was no different, with the grapes being picked in early March. In the part of the Huasco Valley where the Longomilla and Nicolasa vineyards are situated, the dense fog known as "camanchaca" blankets the land each day. This fog comes in from the Pacific Ocean, just 15-20 km to the west. In this desert climate, the moisture from this daily fog provides the vine leaves with a small but important increase in humidity.

### WINEMAKING

Fermentation A cold maceration took place for 5-7 days. Then 2 to 3 pump-overs took place each day at natural fermentation temperatures of between 15°C and 25°C. Once the fermentation was complete and after the malolactic fermentation, a small amount of SO<sub>2</sub> was added.

Ageing 24 months' ageing in fifth-use, Burgundy-style, 228-litre French oak barrels. This wine was not clarified, nor did it receive a final filtration.

Technical Data Alc/Vol: 13.0% GL  
pH: 3.78  
Acidity: 5.56 g/L (Tartaric Acid)  
Residual Sugar: 2.75 g/L

Ageing Potential This wine can be stored for up to 6 years in optimum conditions.

### TASTING NOTES

It is a beautiful light ruby-red colour and has a complex nose with cherry and raspberry aromas intermingled with notes of mushrooms, fallen leaves and forest floor. In the mouth it is intense, with crisp acidity, firm tannins and good structure. Its minerality and the tension in the mouth from the chalky soils are very clear. The mouth is almost salty thanks to the influence of the ocean and the soil.

### SERVING

### SUGGESTION

Duck, casseroles and game, such as venison and wild boar.

THE WINE WAS MANUALLY BOTTLED, WITH ONLY 1.450 BOTTLES BEING PRODUCED.
